Yes, I want to make an **additional one-time donation** of $_____ to support the preservation and sustainability of Morrell Nature Sanctuary. **Please note:** if payment type is PayPal, your additional donation must be processed separately using 1 of the other payment options.

PLEASE READ & SIGN THE BACK

Member Conduct Policies & Expectations

1. All members are encouraged to act as an ambassador for Morrell Sanctuary Society whenever possible while they are on the property. If you see something that needs attention (i.e., tree down, no toilet paper in the outhouse), please inform the office manager by phone at 250-753-5811 or email at info@morrellnaturesanctuary.ca.

2. **ALL** dogs must **ALWAYS** be leashed (regardless of recall ability, friendliness/ trustworthiness, and/or how long the animal has been visiting the property). This includes the parking lot. Please positively reinforce this policy when you see other visitors with dogs on leash by thanking them for being respectful. Additionally, if members feel comfortable reminding visitors who choose to violate this policy. I.e., "Morrell is private property, and all visitors need to respect our policies to ensure the sanctuary remains a beautiful place for everyone! Next time, could you please have your dog on a leash (assuming best intent and with a friendly approach (maybe they didn't see the signs!!)." If folks wish to walk their dog(s) off-leash Colliery Dam Park is just up the road.

3. Our dedicated and trustworthy volunteers maintain our trails with diligence and great care, to ensure all trails are safe and accessible. There is no reason to go off trail and when visitors do choose to go off trail they are impacting the sanctuary ecosystem in a negative way. Please always stay on the trails!

4. We love mushrooms, blooming flowers, and beautiful plants at Morrell! But we never harvest them because they are an essential member of the delicate ecosystem. Please do not remove any plant life while on the property. **Please Note:** some folks walk through Morrell after collecting mushrooms/ plants from areas off Morrell property. If you see someone with plants or mushrooms and feel confident to inform the visitor of our policy, please approach with curiosity. I.e., "those mushrooms look amazing, where did you collect them from?" If you would like to remove plants, please consider volunteering for our trail maintenance crew – they remove invasive species all the time!

I_____ have read the Member Conduct Policies & Expectations. I agree to act as an ambassador for Morrell Sanctuary Society, and I will always abide by the Member Conduct Expectations when I am visiting the property.
